Finding God's CALL through the arts.

Spring 2010 Course Catalog

Mission Statement

The Kaleo (kah-lay-oh, the Greek word for call) Arts Academy exists to help people find God's call through the arts. Through the development of myriad artistic skills and abilities, people of all ages will be given the tools to worship God in new and meaningful ways. Kaleo is an outreach tool to both the church and the un-church, used to seek the welfare of the city through artistic instruction.

Program Information

The Spring 2010 term of the Kaleo Arts Academy will be February 15 to April 26 (10 weeks). All classes will be held on Monday evenings from 6 to 7pm, and 7 to 8 pm at Harris Creek Baptist Church.

Registration

Registration begins December 13th and ends February 1st. No registrations will be accepted after February 1st. Registration is open to the community at large on a first come, first served basis. The registration fee (\$20) is due upon registration. If you choose not to pay tuition at that time, it must be paid before the first day of classes or your space may be forfeited. Please make all checks out to Harris Creek Baptist Church. All money is to be turned in to the church office.

Registering at the last minute can lead to frustration and disappointment. Many classes are filled while others have not met their minimum enrollment needs. Please register early so you will have a space reserved and the Kaleo Arts Academy can make a final decision on class offerings.

Absences

Due to the nature of classroom instruction, no makeup classes will be available to students in group classes and no tuition refunds will be offered for absences or cancellations.
