We generally cover \$10/hr for up to 2 hours while the parent(s) attend a Life Group meeting. Any additional compensation to the hired sitter(s) is at the discretion of the Life Group. You may submit your reimbursement form after your group meets each week, or you can submit your form once a month, but we do request that you do not delay reimbursement beyond a month. We appreciate your group's effort to share sitters when possible. If you are in need of more than 2 sitters for your group, please contact staff before submitting a reimbursement form for approval.
