

MAKE A GAMEPLAN

STEP 1: PICK A TIME

Each Sunday, tune in at 9a or 11a CST. As with anything in life, consistency is key!

STEP 2: FIND A PLACE

Find a good place to watch and engage your heart in worship. Maybe it's a living room or a back porch. If you outgrow that, find a nearby park or restaurant patio where you could set up each week.

STEP 3: GATHER YOUR PEOPLE

Think of a neighbor or friend you could invite to join you each weekend. Watch it together! Consider others in your sphere of influence. It could be family, people you work with, places you frequent, or people at the gym. Use this as an opportunity to invite them to be part of what God is doing through Harris Creek.

STEP 4: DISCUSS & APPLY

Spend some time talking and praying together about how to apply what God is teaching you through His Word. Find ways to further grow in what you learn as you engage together. Take advantage of resources at harris creek.org/homechurch.
